

# Abranet® Ace HD

## Now available in 9" Discs

Abranet Ace HD for dust-free sanding is durable and tough with ceramic grains. The strong net structure resists high wear and tear and that makes Abranet Ace HD ideal for heavy-duty applications. The improved woven mesh backing increases the lifetime of the abrasive, and makes the sanding process faster.

### FEATURES AND BENEFITS:

- Ceramic grains allows for maximum cutting speed and consistent performance across a variety of surfaces and substrates
- Coarse grit range makes this ideal for aggressive stock removal
- Features exceptional resistance to edge wear and clogging
- Net abrasives are a key component for dust-free sanding
