Tork Centerfeed Hand Towel Dispenser

The Tork® Centerfeed Hand Towel Dispenser is a no touch, hands free dispensing solution, which provides an overall more hygienic experience for end users. See-through smoke reduces maintenance and allows quick and easy service checks; High impact flame retardant, chemical-resistant, rigid vinyl plastic provides low maintenance. The hinged door and adjustable port offers trouble free service.

- Reduce cross contamination risks because users only touch what they use
- See-through smoke reduces maintenance and allows quick and easy service checks
- Single sheet dispensing for portion and cross contamination control
- Splash proof hood protects the refills from dirt and reduces waste through soiling.
