

New Products Announcement

New Mirka Iridium® fine grits 800 & 1000

We are pleased to announce the premium abrasive Mirka Iridium range has been completed with new grits from 800 to 1000 for discs.

Iridium is a flexible, paper abrasive engineered to triumph on both soft and hard surfaces, which makes it the ideal choice for professionals in any industry. Perfected for speed and efficiency, it has a mix of ceramic and aluminium oxide grains on a flexible paper with precision coating that prevents clogging and reduces pilling.

- Fast sanding and consistent scratch pattern saves you time and money
- Consistent quality and non-stick coating repels dust and provides a long product life
- Premium paper backing offers remarkable flexibility and grain adhesion

Target Sectors:

Automotive Refinishing
Solid Surface Fabrication
Construction/Paint/Decoration

Cabinet and Furniture Manufacturing
Marine Manufacturing and Aftermarket
