VIBAC® AUTOMOTIVE MASKING TAPE 313

This Automotive masking tape is specifically designed for high temperature bake cycles. It is temperature resistant up to 230°F for 60 minutes and is UV resistant up to 10 days. This easy tear, waterproof tape possesses quick stick properties; it instantly sticks to a wide range of irregularly shaped surfaces and leaves no adhesive residue upon removal. With excellent solvent and thinner resistance, this tape is an ideal choice for professional body shops.
